

Subject: PhiloTech | Upcoming Workshops and Movie Night!

Email Body:

Dear PhiloCoffee Club Member,

I hope you successfully passed the recent midterms.

Here I'd like to tell you our upcoming events. Each event is designed to enrich your understanding and spark discussions on technology topics around your courses. Please mark your calendars!

1. PhiloTech Workshop on Personal Website and Copilot

- **Date:** April 27
- **Time:** 2:00 pm to 5:00 pm
- **Location:** Haina House(海纳居), Clock Tower Square, Intl Campus, ZJU
- **Details:** [Please read the outline here.](#)

2. Movie Night Collaboration with Poita Art Society

- **Date:** April 27
- **Time:** 7:30 pm ~9:00 pm
- **Film:** ["The Night Is Short, Walk On Girl" by Tomihiko Morimi](#)
- **Location:** Laitong Residential College(RC3) Movie Room
- **Details:** Movie Night is a long collaborative viewing event between the PhiloCoffee Club and the Poita Art Club. Here, we have carefully selected a masterpiece by Tomihiko Morimi, "The Night Is Short, Walk On Girl," a film that complements "The Tatami Galaxy." This film not only deeply reflects on standardized education and the malleability of youth but also explores the sentimentality and abstract experiences of adolescence through its unique narrative and visual style. We believe it can inspire students to think deeply about university life. Join us under the stars to explore the meaning and direction of youth.

3. PhiloTech Workshop on History of Artificial General Intelligence

- **Date:** May 5
- **Time:** TBD, we will announce through email
- **Location:** Haina House(海纳居), Clock Tower Square, Intl Campus, ZJU
- **Special Guest:**
 - Dr. Wang Wei from the *University of Amsterdam*, *ZJUI 2023 Academic Advisor*
 - *More Dr. and Ph.D. students...*
- **Details:** PhiloTech is honored to invite Dr. Wang Wei, a distinguished returnee from the University of Amsterdam with extensive experience in AI and computer vision research. Dr. Wang Wei is also our beloved advisor for the ZJUI Class of 2023. Additionally, several senior undergraduates and *Ph.D.* students will share their research experiences at this salon.

On May 5th, at the end of Labor Day, join us at Haina Residence to explore how, in this era of rapid AI development, we as university students can position ourselves and grasp the future.

Offering these opportunities learn, engage, and discuss, I hope we can bridge technology, philosophy, and our everyday academic life.

Please RSVP by email/WeChat about the event to ensure your spot, as spaces are limited. For more information, feel free to contact us at jie.20@intl.zju.edu.cn.

Looking forward to seeing you there!

Warm regards,

Tony Wang

President of PhiloCoffee Club

中文版 四月份的活动预告：

4.27 海纳居

PhiloTech 是哲咖社组织的技术沙龙。我们邀请你，在咖啡因的陪伴下探索各种有趣的技术与想法。无论你是编程新手还是希望用 AI 帮助自己的老手，这个 Workshop 都将为你提供一些提升效率的点子。4 月 14 日周日，一起来研究如何构建社团/个人网站，还有如何免费解锁 GitHub Copilot，提升代码效率。让我们讨论科技哲学，探寻数字世界的无限可能。

4.27 来同书院观影室

电影夜是哲咖社和 Poita 动漫美术社长期合作的观影活动。本期活动，我们精选了森见登美彦的杰作——《春宵苦短，少女前进吧!》，一部与《四叠半神话大系》相辉映的影片。这部电影不仅深刻反思了制式教育和青春可塑性，还以其独特的叙事和视觉风格，探讨了青春期的多愁善感和抽象体验。我们相信这部有趣的作品，可以激发同学们对大学生活的思考。欢迎加入我们，一同在星光下，寻找青春的意义和方向。

5.5 海纳居

本次 PhiloTech 荣幸邀请到了来自荷兰阿姆斯特丹大学，拥有丰富 AI 和计算机视觉研究心得的博士海归——我们亲爱的 ZJUI23 级辅导员王威。同时，几位资深的大四和博士生学长也会在这个沙龙分享一些科研经验。4 月 27 日周六，来海纳居一同探索在人工智能飞速发展的时代中，作为大学生的我们该如何定位自己、把握未来。
